JIKA offers ceramic solutions geared towards the needs of businesses. One of them is our smallest urinal Korint with outer water inlet, which is delivered including siphon. An inlet fitting with a pressure valve, a plug or a fitting suitable for sensor control can be used to flush the urinal. Urinal is offered including siphon H8944000000001. 10-year warranty provided. We recommend using a concealed module for urinals.
